**BELLARINE  
COMMUNITY  
COUNCIL Inc.**

*Your Voice... Our Future*

## Who we are

Bellarine Community Council Inc. is a not-for-profit community focused organisation. Our vision is to preserve, protect and enhance the quality of life on The Bellarine.

Our key objective is to encourage and facilitate a more integrated and coordinated approach in working with community, government organisations, and individuals to add value to the community's capacity - socially, culturally, environmentally and financially across The Bellarine.

## What we do

Our key activities are to Advocate, Engage, Plan and Enhance, and members are actively encouraged be involved in the implementation of our goals through issue based working groups. For a full overview of our intentions, see our 2017-2018 Strategic Plan on our website [www.bellarinecommunitycouncil.com.au](http://www.bellarinecommunitycouncil.com.au).

- Advance and enhance The Bellarine.
- Lead and support sustainable, coordinated future planning for The Bellarine.
- Engage local individual and community organisations to unite and provide a transparent process for The Bellarine.
- Advocate with all levels of government in the interests of The Bellarine.

## How we do it.

### Understand & Engage

Engage with individuals, organisations and relevant authorities to develop understanding of local issues.

### Create and Communicate

Create and communicate plans and processes to ensure the Bellarine community and other organisations are well informed.

### Plan and Develop

Plan and develop visions, briefs and submissions on issues of short and long term importance to The Bellarine.

### Advocate and Represent

Advocate and represent for key Bellarine issues through proactive engagement with local, state and federal governments and affiliated bodies, business groups and community organisations.
